Solista

Solista completes the Necta range of machines dedicated to smaller locations. The new addition to the table top sector is recognised by its appealing design and appreciated for its high level capacity and cutting-edge technologies.

The modern and elegant design is enhanced by LED lights, a chromium-plated frame surrounding the selection area and striking graphic panels.

■ USER INTERFACE

- 10 direct selection buttons
- LED lighting of the user interface area with the option to change the light colour (default is orange)
- LED lit cup station area
- Option to install a cashless payment system and a validator in the body of the machine
- Capability to install a change giver payment system in the base cabinet or in an optional side module

■ TECHNICAL INNOVATIONS

Solista is the first table top Necta model to use the latest technical innovations, such as:

- Z4000 brewer
- Compact espresso boiler
- Freemix instant technology
- Dosers and mixers with programmable speed
- New single powder canisters with capacities of 1 litre and 1.9 litre

■ ELECTRONICS

- Advanced implementation of MDB protocol
- Compatible with Giga software to create and upload all settings

■ MAINTENANCE

- Colour coding for easy maintenance
- Simple movements to remove parts
- Stirrer column with optimized capacity
- Anti-dust cover for coffee brewer area
- Excellent balance between drink capacity and waste capacity
